

PRIYANKA V

Data Analytics & Data Science Enthusiast

v909575@gmail.com | [GitHub](#) | [LinkedIn](#) | Phone: 9880858553 | [Portfolio](#)

PROFILE

Computer Science student with hands-on experience in Data Science, Machine Learning, and Data Analytics. Skilled in Python, data preprocessing, feature engineering, and predictive modeling, with experience building ML models. Strong teamwork, leadership, and communication abilities.

SKILLS

Technical: Python, Machine Learning, Data Preprocessing, Feature Engineering, Pandas, NumPy, SQL, DBMS, HTML, CSS, JavaScript, C, C++

Soft Skills: Communication, Teamwork, Adaptability, Creativity, Active Listening

INTERNSHIP EXPERIENCE

Data Science Intern — *Prinston Smart Engineers*

Sep 2024 – Oct 2024

- Developed **ML models using Python and Scikit-learn** to predict diamond prices.
- Performed **data cleaning, preprocessing, and feature engineering**, and conducted **EDA** to identify key factors influencing pricing.

Data Science Intern — *Myntrn*

Feb 2026 – Mar 2026

- Applied **regression and classification models** for predictive analysis, gaining hands-on experience in data preprocessing, feature selection, and model evaluation.
- Worked with **Python-based tools and libraries** for data analysis and model building; developed a basic understanding of **CNNs** for image-based tasks.

PROJECTS

Diamond Price Prediction — Data Science Project

- Performed **EDA** on a diamond dataset to uncover key trends and factors influencing price.
- Built **regression models using Scikit-learn** to predict diamond prices, applying data preprocessing, feature engineering, and model evaluation techniques.

Tomato Plant Disease Detection

- Built a plant disease detection system using **CNNs (MobileNetV2)** to classify tomato leaf diseases; developed an image preprocessing and prediction pipeline with **Python, TensorFlow, NumPy, and OpenCV** including data augmentation.
- Designed an interactive **Gradio web app**, deployed on **Hugging Face Spaces**, enabling instant disease prediction with remedies.

EDUCATION

Bachelor of Computer Applications — St. Francis De Sales Degree College 2023 – Expected 2026 | 8.37

2nd PUC — St. Francis De Sales PU College 2022 – 2023 | 8.4

SSLC — Vidyalaya Education Society High School 2020 – 2021 | 9.2

CERTIFICATIONS & TRAINING

Spoken Tutorial, IIT Bombay: Python 3.4.3, PHP & MySQL, C & C# • Empower: Inbound Training & Power Communication • Ryla: Youth Leadership Training

ADDITIONAL INFORMATION

- Member of Rotaract Club for 2.5 years; currently Public Relations Director for 1.5 years.
- Participated in 5+ college events, 2 outreach programs, and volunteered in 5+ social activities.
- Taught basic computer and Microsoft Office tools to government school students.
